**CARE REVISES THE RATING ASSIGNED TO BANK FACILITIES OF  
 MICRO HOUSING FINANCE CORPORATION LTD.**
**Ratings**

Facilities	Amount (Rs. crore)	Rating <sup>1</sup>	Remarks
Long term Bank Facilities	100.00	<b>CARE A- (Single A Minus)</b>	<b>Revised from CARE BBB+ (Triple B Plus)</b>

The rating revision takes into account the steady scale up in MHFC's business volumes while maintaining healthy asset quality and profitability parameters. MHFC is poised to gain from the growing credit demand in the affordable housing space and untapped potential in low income unorganized sector borrowers segment, supported by the Government's thrust in providing affordable housing throughout the country. The rating further factors in MHFC's robust capitalization levels, comfortable liquidity profile. The rating is, however, constrained by the limited track record and geographic concentration of operations. The rating also considers the fact that the target customer segment of MHFC comprises of individuals in the low income group which is a relatively untested and untapped market segment. Business growth, asset quality, capital adequacy and profitability are the key rating sensitivities.
